CUSTOM COLORS

Crafted with food-grade silicone, the cloud-shaped inner structure naturally separates foods and helps prevent discomfort caused by fast eating.

- Patented cloud silhouette with a warm, home-friendly look
- Height-difference texture creates natural food zones
- Soft on gums, shatter-proof and easy to clean
- Suitable for canned food, yogurt, puree, fruit, jerky and kibble

Forest-Theme Silicone Slow Feeder

Explore every bite.

Hedgehog, leaf and mushroom reliefs form natural food zones, extending mealtime through instinctive foraging.

- Textured relief increases feeding difficulty and reduces gulping
- Helps reduce swallowed air, vomiting and indigestion
- Rounded edges are gentle on the mouth
- Bite-resistant, anti-tip and easy to wash

Round Silicone Slow-Feed Bowls

FDR-RB-021

Classic Round Silicone Slow Feeder Bowl

Dog-face, bone and paw-print embossing creates multiple small food zones. Pets spend longer retrieving food, helping reduce vomiting and digestive discomfort caused by rapid eating.

FDR-RB-022

Paw-Print Pattern Slow-Feed Bowl

A soft silicone surface is gentle on gums, while the compact round profile fits everyday home feeding. Multiple colors coordinate with different interiors.
